Some campers enjoy using a set of plastic drawers for storage.

Campers are permitted to bring portable chairs to camp. They may be used around the cabin areas only. No chairs will be allowed in the program areas of camp during the program day.

Campers are also welcome to bring personal sports equipment to camp, but it is not required. Please leave roller blades at home. Campers are responsible for his/her own equipment and should leave valuable belongings at home.

Any fans, flashlights or other powered devices must be battery operated. Campers have very limited access to electrical connections.
